Police arrest teenage suspect minutes after armed robbery

By BRENDA HEATHCOCK

Heading down Dunbar Avenue toward the Bay St. Louis police station was the wrong direction for a Pass Christian youth who was charged Wednesday night with armed robbery.

The 13-year-old black male was spotted on a bicycle by police officers responding to a call reporting the robbery of Jitney Jungle's gas station, according to Chief Detective David Murtagh of the Bay St. Louis Police Department.

"When the youth saw police approaching he turned down Genin

Street where he was arrested," Murtagh added.

Murtagh commended Police Officers Don Watson and Roy Schurbert for their alert response in spotting the youth on the way to the crime scene.

The youth reportedly entered the store, displayed a box-cutter razor and demanded money. The clerk handed over the money and the juvenile fled on a bicycle.

Approximately \$700 was recovered by the arresting officers both from the youth and in a nearby ditch, believed to be the total amount taken from the station.

The youth is currently being held in the Hancock County Jail under a \$10,000 bond. A preliminary hearing is set for Wednesday.

MD OFFICE BURGLARY

Police are still investigating an unrelated burglary of Dr. Joseph K. Lee's office at 252-B US-90 Monday.

Murtagh said a microwave oven, micro-cassette recorder, dictaphone, telephone recorder and \$45 are among items missing.

There is apparently no connection between this burglary and a rash of burglaries of doctor's offices throughout the county earlier this year, police noted.

Waveland asks school district to accept all city students

By DENA BISNETTE

The Waveland Board of Aldermen plans to request that all territory inside the Waveland city limits be included in the Bay St. Louis-Waveland School District.

The board has asked its attorney, Lucien Cox, to draft a letter requesting that the district expand its boundaries to include the entire city. At present, some of the outer parts of Waveland are included in the Han-

cock County School District.

Mayor John Longo Jr. said he and the aldermen had been receiving complaints from parents of children who live inside the city limits but outside the school district.

According to Robert Magee, assistant superintendent for the Bay-Waveland School District, the school district boundaries stop at Our Shopping Center on the south side of US-90 and cuts through several

apartment complexes on the west side of Waveland Avenue.

On the north side of the highway, the line cuts through a section of Shoreline Park, extending to First Avenue, then cutting across part of Artic Street and angling over to Kiln-Waveland Cut-off Road. As a result, Pacific, Atlantic and part of Artic streets are included in the school district.

The difference in boundaries began to be enforced about three years ago, Hancock County Superintendent of Education Terrell Randolph said.

Randolph said county school officials discovered that the area was actually in the Hancock district because a change in the city limits does not change the district boundaries.

Because of crowding in the city schools, any student from outside the district must pay \$300 per year in tuition and can be turned down if there is no space available, Magee said.

Gex, who was absent from Wednesday's board of aldermen meeting, is expected to present the resolution at the Nov. 10 school board meeting.

"I would be very much in favor of this," Magee said of the proposal.

"It would cut out a lot of headaches for us. It's hard to explain to a parent why kids who live in city can't go to city schools."

"It's also very confusing for us

County substitute teachers to receive pay increase

By BRENDA HEATHCOCK

Substitute teachers in the Hancock County School District got their first raise in several years.

Instead of making \$15 a day they will now receive \$25.

Superintendent Terrell Randolph said the \$10 a day raise per day was all that the budget could stand.

However he told the board last week at a recessed meeting an investigation was continuing in the feasibility of hiring some substitutes on a full time basis.

"We have teachers absent in the district every day and the substitutes would fill in where needed," he said.

Thirteen additional substitute teachers hired at the meeting.

Approved as substitute teacher for Hancock North Central Elementary were Larinda Kay Hill, Cindy Shiyon, Cindy R. Croll, Suzette Shaw, Billie Jean Neaise, JoAnn Penot, Gabriel Davis and Paula Penot.

Kelly Schwartz and Diane Nixon were approved for Gulfview Elementary substitutes.

Hancock North Central schools'

extra substitutes are Annette C. LeBlanc, Jeannette Elaine Carter and Sondra Kay Adams.

Also at the meeting Dr. Katherine Reynolds of Waveland was employed as the special education director for the district.

In other business the board:

—Approved a request to reconsider a pickup truck bid due to the bid being opened on the wrong date and also authorized Randolph to readvertise for bids.

—Approved the resignation of Olivia Pittman as Local Survey Committee chairman for Charles B. Murphy School for the school year.

—Approved the appointment of Jennifer Patterson as Local Survey Committee chairman at Charles B. Murphy for the 1986-87 school year.

First grader Jeffrey Shiyon, winning participant in a recent Coast Episcopal Elementary School Field Day, was incorrectly identified in a Sea Coast Echo report on that event. Shiyon placed first in obstacle race; first in tug-of-war; and third in dash run.

A story in Thursday's edition of Sea Coast Echo incorrectly stated that Bay St. Louis Firefighter Gary T. Maurice had been certified as a smoke diver instructor. Maurice has received the smoke diver designation from State Fire Academy but has not been certified as an instructor.

Basket weaving demonstrating slated at Bay library

A free basket weaving demonstration will be held Friday, Oct. 24, 9:30 a.m. in the Crawford Room, Bay St. Louis Library. The class will be taught by Beverly Rooks, local weaver who learned her skills in North Carolina. The demonstration will last approximately 1 1/2 hours and will feature the basic techniques needed to construct a melon basket.

A prolific artist, Rooks uses native materials for some parts of her baskets, such as the handles and rims. "Willow, wisteria, native grapevines, even Kudzu, can be used with dramatic effects," she says. Rooks made one Kudzu basket so large she had to weave it in her swimming pool.

Bay Junior High students make selections from display table a book fair sponsored by Parents for Quality Education.

Students receptive to PQE Book Fair

Parents for Quality Education sponsored a book fair at Bay Junior High on Oct. 17.

Magazines were collected and tables set up on school grounds Friday morning.

Carolyn Boudreaux and Angela Bulot headed the committee with Donald Boudreaux, Velma Ingram, Shakira Shabazz, and Marilyn Sones. Also assisting were Debbie Bakus, Lorraine Strom and Peggy Smith.

"The students seemed to enjoy the event along with the parents who were there," Boudreaux said.

The National Geographics with maps were among the most popular ones chosen by the students, she added.

"Our thanks to Principal W.J. Cameron for his cooperation and to all those who donated books and magazines and to Mr. Ronald Thomas for photography," Boudreaux said.

All reading materials left were given to the library, the nursing

home and the jail.

Dr. Roger Oge, superintendent of Bay St. Louis-Waveland School District, in order to better serve the needs of the community has requested Parents for Quality Education to embark on a survey of a number of parents of children in the district.

The purpose is to elicit opinions of parents regarding their children's education needs.

Within the next two weeks members and others will be calling on the phone to gather opinions.

Sones, Peggy Dutton, Clarence and Debra Harris, Cynthia Simpkins, Bonnie Allison, Barbara Boston, Ruth Thomas, Smith, Aubrey Mueller, Sam Moon and Susan Carron will be calling on parents. We would be very appreciative of those called upon for their time.

The next PQE meeting will be Tuesday, Nov. 18 at the Bay Senior High Classroom No. Six across from school library. New members are also welcomed.

Depression-era farm bankruptcy provision revived

The U.S. Congress has approved a bankruptcy provision revived from the Great Depression era to help today's financially troubled farmers.

Known as Chapter 12, the legislation passed recently has a seven year life span and will apply only to individuals with at least half of their income from farming. It is a last resort measure which grants farm operators 90 days to file a financial reorganization plan.

Hugh Arant, president of the Mississippi Farm Bureau Federation, said the farm organization supported the legislation which creates a provision to aid those farmers with a potential to reorganize and come out on top.

The farm spokesman said, "Chapter 12 allows qualified financially stressed farmers to reorganize where the previous law did not. I hope President Reagan will approve

the measure and I feel like he will.

"Family farmers are experiencing a severe financial crisis unlike that faced by any other business group today," he added.

The new law would apply to farmers with up to \$1.5 million in farm debt with at least 80 percent of that debt in the farming operation.

The measure states that a farmer filing for bankruptcy protection must pay fair market value rent for the farmland during the automatic stay period, but no compensation is required for the creditor's lost opportunity costs.

By comparison, Chapter 13 limits bankruptcy action to secured debts of less than \$350,000, and unsecured debts to \$100,000.

If signed by the President, the new provision will go into effect 30 days after it is signed into law.

We hope you haven't forgotten to set your clocks back this morning for the time change. The days are in the process of getting shorter and shorter and will continue until late December.

Next weekend the Annual Hancock County Fair will be held at the Fairgrounds on Longfellow Road. The fair will run Nov. 4-9. Fair Association members have been making preparations for the big event for several months. Many local residents have been preparing entries for exhibit and competition in the many categories.

We were lucky enough to win several blue ribbons last year in the horticulture division. This won't be possible this year because of the time of the fair.

Among the events will be live entertainment, queen contest, school field day, pet show, livestock judging, poultry chain auction, and of course the exhibit hall.

Council For Support Of Public Higher Education In Mississippi

*Those who learn in Mississippi
Earn for Mississippi*

Higher Education Week observed Oct. 26-31

It is appropriate that we set aside a special week to recognize higher education's positive contributions to our society. The week of Oct. 26 is National Higher Education Week.

Higher education is essential to Mississippi's growth and development, yet we have not treated our public universities as if they are vital to a prosperous future. Instead, our universities are at the brink of irreparable damage as a result of yearly budget cuts.

We have lost. We have lost some of our outstanding faculty to other states which have a greater commitment to higher education. We also have lost one promising student to out-of-state institutions because of the uncertainty of the future and quality of Mississippi universities.

But, some valuable lessons have come from these hard times—clear missions, greater efficiency and a growing awareness of the importance of our universities. Our university leaders have seen these institutions through some hard days and they have emerged with surprising strength.

Perhaps the most important gain has been that of the growing public awareness to the importance of universities to Mississippi's growth. As a result of this awareness, our

elected officials have a mandate from the people to restore funding to the universities in the upcoming legislative session.

That mandate was discovered by the Council for Support of Public Higher Education in Mississippi. The council, a group of the state's top business leaders, recently presented the finding of a survey of registered voters.

Among those finding was the fact that over two-thirds of those surveyed are willing to accept a tax increase to restore funding to the universities. Our elected officials will do well to study the results and listen to what the people of Mississippi are saying.

Mississippians value education and we are proud of the positive national recognition our state has received in connection with our efforts to improve our entire educational system.

Our elected officials are once again in a unique position to bring positive attention to the state by responding to the people's wishes and by making a positive commitment to our eight state-supported universities. That commitment translates into adequate funding which will allow the universities to focus on educational excellence rather than continued budget problems.

IN CONGRESS By Cong. Trent Pott

LOOKING BACK AT THE 99TH CONGRESS

The Congress has finally passed the 1987 continuing appropriations resolution, the vehicle we use to package all remaining spending bills, to keep the government operating through the fiscal year.

It is a very poor way to do business, but since none of the 13 appropriations bills—for the first time in history—have made it all the way through the legislative process to the President's desk, there really was no alternative but to put them all in this continuing resolution.

It is a bad process and is in many respects a bad bill because of its excessive spending. There were, however, some positives in it. If we did not pass it, the government would have been shut down. While some people think that that is not a bad idea, remember, there are a lot of good programs that we need to keep operating to help the needy, to build ships for our military and to assist the freedom fighters battling Nicaragua's communist government.

There are other features I think Mississippians might be interested in: the legislation does endorse homeporting and paves the way for the funding of our homeports in 1988 in Pascagoula and Gulfport.

It contains \$2.7 billion for construction of three CG-47 Aegis cruisers and \$1.67 billion for two DDG-51 destroyers—all contracts which Ingalls Shipbuilding in Pascagoula will be bidding on and most of which, I believe, Ingalls will build.

About \$228 million is included for the construction of T-AGOS ocean surveillance ships for the Navy which Hatter Marine in Moss Point will be bidding to construct.

There is \$31.1 million in the bill for construction projects at the Seabee Base in Gulfport, Keesler Air Force Base in Biloxi, the Air National Guard Center in Gulfport, and the Navy's facilities in Pascagoula and Camp Shelby Army National Guard training center near Hattiesburg.

We have \$10 million to build a polymer research facility at the University of Southern Mississippi in Hattiesburg. This is going to be very positive for USM because the research has applications to cancer treatment therapy, the development of artificial hearts and the design of space suits worn by our astronauts.

Mississippi's muscadine grape industry will receive \$250,000 in research funding.

There is \$190 million in the bill for design modernization at the Mississippi Army Ammunition Plant in Hancock County.

Funds were included for the National Marine Fisheries Service laboratories in Pascagoula to maintain the Chapman ocean research vessel stationed in Pascagoula and for continued fisheries research.

We will receive \$300,000 for engineering and planning design work to precede the deepening of the Gulfport Harbor, and \$800,000 for planning and environmental impact studies which will precede the deep-draft dredging of the Pascagoula Harbor.

As you can see, from a Mississippi standpoint, and also for certain national and international issues, we did need to move this legislation forward. Other legislation adopted in the final hours of the 99th Congress included my bill to designate a 21-mile segment of the Black Creek in Forrest County as a wild and scenic river, a designation which will protect the creek in its most natural state for future generations to enjoy. The bill will be signed into law by President Reagan before year's end.

What Was Good
Overall, the 99th Congress will leave a positive legacy. Tax reform will be good for individuals. We finally got a major comprehensive drug bill to fight drug problems in this country. We did get an immigration reform bill. And in the final analysis, I believe the defense bill turned out pretty well.

What Was Bad
But there were some low marks. The deficit is still a great big monster. Gramm-Rudman did not cure that problem, and we will have to continue working at bringing the budget into line. Trade is an area where we still have a lot of work to do.

Looking Ahead
Next year, we have got to look at trying to find ways to help our farmers in Mississippi. We should commit ourselves to no tax increases for individuals, and we should try to reform the budget process.

But now that the 99th Congress has adjourned, I look forward to seeing you in Mississippi in the days ahead.

In every city hospitals are surrounded by supporting services

October 23, 1986
The Editor
The Sea Coast Echo
Bay St. Louis

Dear Sir:

When the idea was first proposed for a new hospital the majority of the citizens of Hancock County realized the need and the importance of such a facility, and were pleased.

Most of the citizens I spoke with thought that the most ideal location would be in the vicinity of Highway 90 and Highway 603, a central location which would best serve the citizens of this county, and that would allow for the expansion and development of the surrounding area; a location that would not only better serve the public, but one that would create job opportunities, stimulate the economy, introduce new business, and help create a tax base for the good of the entire county.

Our planners and politicians then began doing their thing. None of us could ever know, or understand, the behind-the-scenes factors which went to influence the decision to select the present new hospital site, but any reasonable person would expect the site selected to take into consideration the potential expansion and development of the surrounding area.

Instead, we read in your paper of the continued refusal of people who cannot accept the change which normally accompanies a major expansion of this type, and which would be beneficial to the community. The Planning Commission must have considered the zoning changes which would be forthcoming. Maybe Dr. Crittenden doesn't belong to the right "team."

Now, the mayor is angry and accuses the Hospital Board of Directors of using a "ploy" and of "extortion." Hooray for the Hospital Board of Directors, Hitt'em again!

Those who oppose the rezoning request are guilty of greater misdeeds, that of failing to fulfill their oath to serve the best interest of this community and its citizens.

In rezoning of the property immediately surrounding the new hospital is inevitable. In every city hospitals are surrounded by supporting services, doctor's offices, clinic, pharmacies, etc.

To all who read the above and agree that there's an injustice—remember those responsible when election times comes around. They do not deserve your trust.

Sincerely yours,
Otis L. Bounds II

State lost highway funds despite drinking age law

October 24, 1986
Letter to the Editor

To all of you who worked to get the law passed that raised the drinking age in Mississippi to 21 so that our state would not lose federal highway aid, I'd like to hear from you now that Mississippi has lost its federal highway aid anyway.

I wonder how many jobs will be adversely affected because of the "minimum construction program" due to it having to be funded by the

state only. According to the projection by the state agency director, the department will be short \$100 million in federal aid.

Could it be this was shifted to the "Contra" Fund? This deceiving federal administration is getting all of us one way or another!

Over 21 and opposed,

Mississippi Economic Council

BUSINESS SUPPORTING GOVERNOR SUCCESSION

Mississippi's business leadership is speaking out in support of a proposed constitutional amendment permitting immediate governor succession.

While there appears to be no organized opposition in the state to the proposal, which will be on the Nov. 4 general election ballot, there is growing organized support for the amendment.

Voters will want to consider this support as they enter the voting booth a few days from now.

At issue is whether a governor of Mississippi will be permitted to offer for immediate re-election. Presently, Mississippi is one of four states which prohibit immediate succession.

Now Mississippi's governor serves one four-year term, then he must sit out a term before he can offer for the same office.

The amendment, if approved, will permit the governor to serve two terms in office, successive or otherwise.

The state's business leadership believes succession is essential to the improvement of Mississippi's economic development.

They believe that, under the present system, Mississippi is unable to compete in its development with other states which permit succession and which, with that succession, plan, develop, and implement long-range economic development programs and strategies. Mississippi's effort, on the other hand, is chopped into four-year segments.

The Mississippi Economic Council and at least thirty local chambers of commerce have endorsed the amendment. Such endorsements, we suggest, merit the voter's consideration.

In addition to the Council, chambers of commerce supporting the succession amendment include: Aberdeen-South Monroe, Barnett Reservoir, Biloxi, Calhoun City, Chickasaw Development Foundation, Clinton, Corinth-Alcorn Area, Crystal Springs, Greater Decatur, Gulfport Area, Hancock County, Hattiesburg Area, Hernando Area, Iuka, Leake County, Lexington, Macon-Norubee County, Magee, Marion County, Greater Meridian, Morton, Newton, Pass Christian Area, Greater Picayune Area, Sardis, South Pike Area, Union, Vicksburg-Warren County, Water Valley Area, and Yazoo County.

Police still seeking murder suspect

BY DENA BISNETTE

Law enforcement authorities are still seeking a Bay St. Louis disc jockey who is wanted in connection with the murder of Catherine Vizzini of Clermont Harbor.

The suspect, Richard Allan Ryan, is a part-time employee of WXGR radio, located off Blue Meadow Road in Bay St. Louis.

Vizzini's body was found Tuesday morning in the trailer that houses the radio station. According to Bay St. Louis Police Detective David Murtagh, authorities have completed their investigation in the trailer and turned the facility back over to the station Thursday.

The station had remained off the air for two days in order to cooperate with the investigation, he said.

Ryan allegedly hit Vizzini in the

back of the head and neck with a blunt object, possibly a blood-stained claw hammer found in the trailer.

Results from tests on the hammer and other evidence turned over to the Mississippi Crime Laboratory were not yet available Friday, Murtagh said.

Ryan is believed to be driving the victim's car, a dark blue, four-door Chrysler Fifth Avenue bearing tag number EXZ-194.

Ryan is described as being 30 years old, five feet, six inches tall, weighing 180 pounds with blue eyes and dark hair and mustache.

He is presently wanted for murder and auto theft.

Anyone who may have information on Ryan or the vehicle may contact Bay Police Department at 467-0221.

ETV Brief

FARM BANKRUPTCY

"Farmweek" will study various ramifications of farm bankruptcy in a program to air at 7:30 p.m., Monday, Oct. 27, on Mississippi ETV.

The different types of bankruptcy will be explained, and "Farmweek" reporters also will explore what is involved in the actual filing of bankruptcy. They will talk with attorneys who deal specifically in farm bankruptcy about what legal problems may arise for farmers who opt for filing.

They will interview a Mississippi farmer who has filed Chapter 11 bankruptcy to find out how farmers may work themselves out of their financial troubles after this legal action. There are both disadvantages and advantages to declaring certain types of bankruptcy.

Also featured on this program will be a pre-Halloween report on this year's pumpkin harvest in Mississippi.

when we're trying to determine which students must pay tuition," he added.

"Some of the cases we have had recently have been grossly unfair," Longo said.

In addition, the letter will include a provision asking that the school district take immediate action on whatever procedures are needed to assure a fully elected board.

The board is presently comprised of three members appointed by the mayor and city council of Bay St. Louis and two elected members from Waveland and a section of the county known as the district's "outside territory."

Longo has stated at several previous meetings that he feels Waveland residents will be assured of more equal representation if all five members are elected.

On a motion by Ward Four Alderman Herman Yarborough, the aldermen approved the proposed request unanimously.

The board also asked that Gex draft a second request that will be presented at a board of supervisors meeting.

In that letter, Longo and the aldermen will ask that Waveland City Hall be designated as a substation for county tax collection.

With the designation, residents of

Waveland and nearby county areas like Lakeshore and Clermont Harbor could pay their taxes at either the city hall or the Hancock County Courthouse Annex in Bay St. Louis.

Longo said the city would then forward any county taxes to the Hancock County Tax Assessor and Collector's Office on a regular fee basis.

In other business, the aldermen:

—Took under advisement a proposal by Anthony Bevering for licensing air conditioning and electrical contractors before allowing them to do business in Waveland;

—Presented a plaque to Ann Howe for her voluntary service to Gulf Coast Women's Shelter; and

—Took bids for a security system for Waveland City Hall, Waveland Library and Waveland Civic Center under advisement.

The board meets again at 7:30 p.m. Nov. 4.

Music from The Heart of Space airs on Mississippi public radio

"Music from the Heart of Space," one of the most popular music programs of public radio, recently signed its 200th broadcasting station, according to producers Stephen Hill and Anna Turner.

The program is broadcast statewide at 10 p.m., Sundays, on Public Radio in Mississippi, 90.3 FM, a division of Mississippi ETV.

"Heart of Space" has enjoyed phenomenal popularity since its national introduction three years ago. The program also has spawned local new-age music shows on many stations, including PRM, wishing to take even greater advantage of "Heart of Space" momentum.

PRM airs its own "New Direc-

tions" series immediately following "Heart of Space" at 11 on Sunday evenings.

"Heart of Space" is a finely crafted, uninterrupted hour for relaxation and reflective listening, weaving quiet contemporary electronics, classical adagios, soft jazz, meditations from many world traditions and the best of the new-age genre.

Hill and Turner call the sum of what they do "spacemusic," referring to the space-creating qualities of many different kinds of music, spanning centuries. The program includes a diverse roster of artists from Vangelis, Kitaro and Brian Eno to Albinoni, Ravel and Bach.

Stanislaus edges East Central with final-seconds field goal

Perhaps the St. Stanislaus-East Central football game Friday night could best be summed up by Coach Vernon Powell's comment, "When we needed the big play, we got it." SSC had to dig down very deep to win this one, relying on the talented toe of senior place-kicker Rob Betcher. With 23 seconds left in the ballgame, Betcher booted a 50 yard field goal to overcome an 8-7 deficit and win 10-8.

Spectacular defensive play by seniors David Diboll, Jose Lau, and Blake Boudreaux denied the Hornets several opportunities to score.

Despite heavy rains all afternoon in Hurley, the field was in good, playable condition. SSC's swarming defense forced five East Central fumbles and two interceptions.

Neither offense could establish

plays later with a 16-yard run giving the Hornets a first and goal on the two yard line with :36 seconds left in the half.

But the Rockchaws dug in as cornerback YaSin Shabazz tackled East Central quarterback Pope Clark deep in the backfield as time expired in the first half with the Rockchaws on top 7-0.

"We made a tremendous goal-line stand just before half," said Coach Powell. "We took away their best play and it gave our players a lot of confidence."

East Central regrouped at halftime and two plays into the third quarter, running back Ray Canfield broke loose for a 51-yard gain down to the SSC 18-yard line.

Once again the Rockchaw defense rose to the occasion as

point, with East Central controlling the ball for over ten minutes of the quarter. The Hornets kept pushing the ball deeper into Rockchaw territory, as the SSC defense continued to bend but did not break.

From the 11-yard line of the Rockchaws, it took East Central seven plays to score, Hornet running back Gary Webb dove over for the score from his two yard line.

East Central lined up for the extra point kick, but a bad snap from center forced the holder to try to throw to a receiver. But the Rocks were flagged for roughing the passer and East Central had another chance from the one and a half yard line.

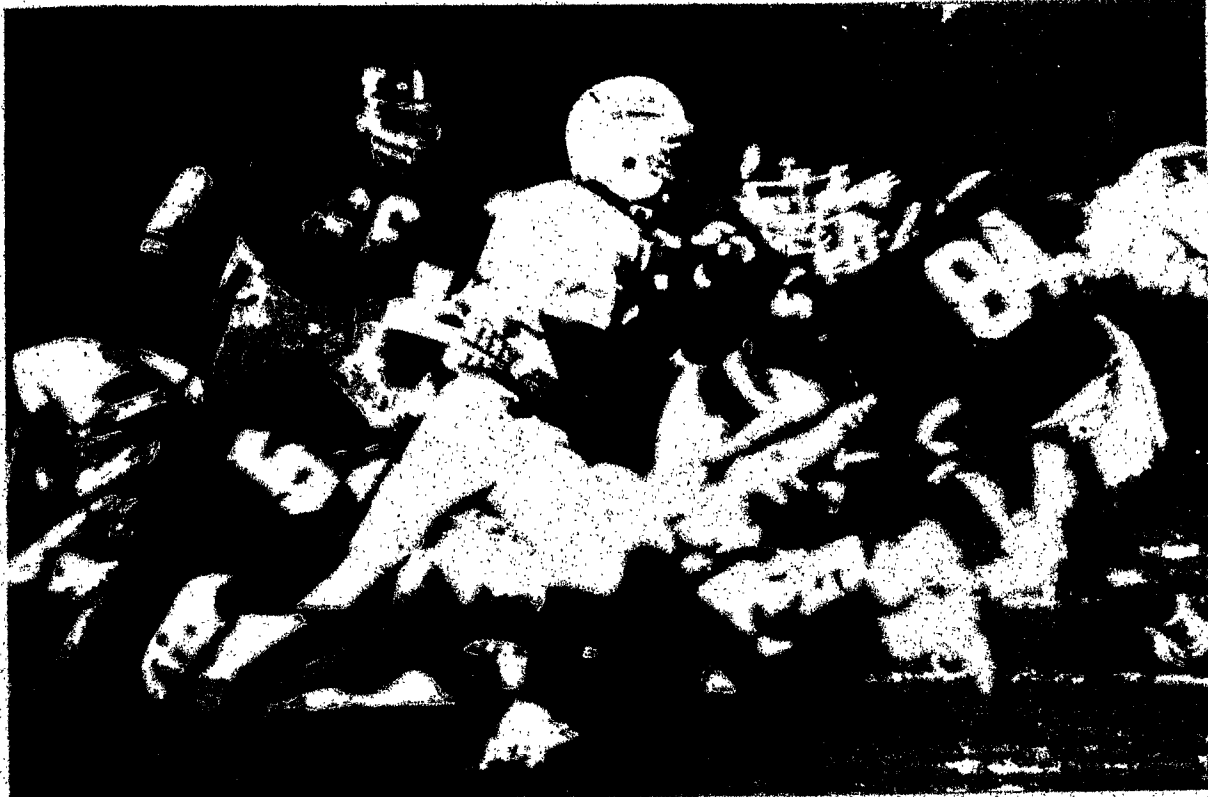

This time the Hornets elected to run it in for two points, with Gary Webb driving over his left tackle for

the conversion. With 11:34 left in the game East Central took the lead 8-7. SSC returned East Central's kickoff to their 34-yard line. Tailback YaSin Shabazz broke three tackles and scampered for a 23-yard gain, bringing the ball into Hornet territory for the first time in the second half.

But the East Central defense stiffened forcing two incomplete passes and sacking quarterback Garrett for a big loss back to the SSC 30-yard line.

After Rob Betcher's punt was downed, East Central had good field position at their 45-yard line. Hornet back Ray Parker broke free of linebacker Jim Bradley's arms and

dominance in the first half. St. Stanislaus broke the scoreless tie with a 4:32 late in the first half as defensive end David Diboll scooped up a Hornet fumble caused by Blake Boudreaux and ran it 65 yards for the score. Betcher's extra point was accurate and the Rocks led 7-0.

Prior to this score the Rockchaws had driven 61 yards down to the East Central one-yard line. On a fourth and one situation, tailback YaSin Shabazz was stopped on the one-inch line and the Hornets took over.

Late in the first half East Central mounted an offensive drive highlighted by Hornet running back Ray Canfield's 26-yard run off tackle. Just when it appeared East Central would put points on the board, the Rock defense forced a fumble with 1:26 left in the first half.

Four plays later the Rockchaws were forced to punt, and Betcher's 21-yard kick gave the Hornets excellent field position at the SSC 34-yard line.

Hornet running back Ray Parker broke into the SSC secondary two

David Diboll forced another East Central fumble and guard Jose Lau recovered the ball on the SSC 11-yard line.

The Rockchaw offense could not get going and SSC had to punt three plays later. Betcher's short 25-yard kick gave East Central excellent field position on the SSC 32-yard line.

Immediately the Hornets tried to throw deep, but cornerback Jack Simpson intercepted the ball and returned it to the SSC 16-yard line.

But the Rocks could not muster a first down and Betcher's punt was returned by East Central's Gary Webb to the SSC 35-yard line.

It took only two plays for the Rockchaw defense to force another turnover as SSC linebacker Jim Bradley caused Hornet ballcarrier Ray Parsley to fumble. Defensive end Blake Boudreaux recovered the ball at the SSC 27-yard line.

East Central swung the momentum their way as safety Carver Twell intercepted a Shannon Garrett pass and returned it to the Rockchaw 11-yard line.

The third quarter ended at this

Hawks come back to defeat district rival

By BRENDA HEATHCOCK
Capitalizing on four George County High School turnovers, the Hancock North Central Hawks won their second district game Friday, 29-21.

Despite a close game, the Hawks rallied in the fourth quarter and dominated the ball to keep the George County offense on the sideline.

The Rebel offensive total of 253 yards actually topped the Hawk total by 40 yards.

Hawk Head Coach Irvin Favre said the rainy weather favored the Rebels who use power plays and run straight ahead.

"We use a little more finesse and the wet field made things difficult," he said.

It is hard to cut and run on a saturated field and it was also tough to throw the ball and hold onto it, he said.

"I am sure we would have completed a lot more passes if it had not been for the weather," he added.

The Hawks only completed two out of nine pass attempts.

"But the players did what they had to do to win and I am proud of them," Favre said.

"The Hawks played really good football in the second half and showed that if it takes a fourth quarter to win, we will," he stated.

Favre credits the change in the momentum to two key plays in the second quarter.

"The hit in the backfield by Corey Blaize on a Rebel third down and the 38-yard touchdown run by Charles Burton really set the tempo for the second half," he said.

Favre also commended the Hawk defense for "excellent" defense in the fourth quarter.

"It is very hard to be where we are now, with an undefeated record and state ranking of six," he said.

"Some people think you should be undefeatable but we were looking defeat in the face during halftime when the score was 16-15," Favre added.

In the locker room at halftime, the players were very quiet because they knew we were in a situation to be beat, he continued.

"They just came out and put it together, both on offense and defense," Favre said.

George County Head Coach Poochie Stringfellow said the Rebels

had played as good as they could.

"Hancock has an excellent ballclub and with superb athletes like Charles Burton if you don't contain him, the Hawks will beat you," Stringfellow added.

Larry Beech started the game with a kickoff which rolled just inside the endzone.

The Rebels began with first and 10 on the 20-yard line but fumbled the ball on their first offensive play.

Hawk Chris Lacoste recovered and the Hancock offense takes over from just 16 yards out.

Burton carried the ball for gains of two and three yards then an incomplete pass put the Hawks in a fourth down and five situation.

Delano Lewis ran six yards to gain the first and then Donald Vince took the ball up the middle to score less than two minutes in the game.

Burton added to the score with a two-point conversion.

The Rebels gained possession and pushed their way downfield to score four minutes later.

Starting from their own 38, George County gained three first downs before Johnny Sargent ran the final seven yards for the touchdown.

The Rebels faked the kick. Sargent took the ball and tossed it to Eric Mizell in the endzone to score the extra points.

The score is 8-8.

A short kick combined with a Rebel penalty gave the Hawks good starting position on their own 45-yard line but they were unable to move the ball. Brett Favre kicked a 40-yard punt.

George County rolled up another couple of first down before fumbling away the ball for their second time in the first quarter.

Jesse Dupree scooped it up for the Hawks who again capitalized on a Rebel turnover to score.

Starting from the Rebel 30-yard line, Vince rushed for three and Burton added seven.

Quarterback Favre hit Burton in the endzone for a 21-yard touchdown pass play.

The Hawks were unable to add the extra points but moved ahead 14-8.

Lengthy possessions by both teams ate up most of the second quarter but in the final minute both teams scored.

A George County snap went over the punter's head and several Hancock players rushed in to cover the player and score a safety.

A Rebel deflected a Hancock pass into the hands of his teammate Shannon Dixon to regain possession for

George County.

In 19 seconds and three plays the Rebels scored. Chris Bufkin did the honors with a 45-yard touchdown pass reception from Quarterback Jerry Havard.

Kenny Cook kicked the extra point and time expired in the first half with the Hawks leading by one point, 16-15.

The Hawks received the ball first in the second half but were unable to advance the necessary yardage and had to punt.

Favre kicked a 45-yard punt and the Rebels took over on their own 11-yard line. It took George County eight plays to go 89 yards and score.

In the drive, Hawk Brett Favre stopped Sargent who had just ran for a 51-yard gain on the five-yard line with a touchdown-saving tackle.

Two plays later Curtis Dickey ran the final four and George County moved out ahead of the Hawks, 21-16. The extra point attempt was no good.

Favre gained one first down with a couple of keeper plays but a series of incomplete forced the Hawks into a punting position.

In the next drive, the Hawks stopped the Rebels on a third and one situation when Blaize broke through and tackled Sargent in the backfield for a loss.

Following the George County punt, Burton ran 38 yards on the first down to score.

The PAT was incomplete but the Hawks regained the lead, 22-21.

The ball was returned to the Hawks by Jesse Dupree who picked up his second Rebel fumble of the night.

Hancock got one first down but had to turn over possession on the downs four plays later.

George County took over but lost the ball on their second play on another fumble.

Hawk Norris Chaisson recovered for Hancock.

Burton on a 17-yard run gained first and goal for the Hawks. Vince added one and Lewis took the ball in the endzone from seven yards out.

Beech kicked the extra point.

Three incomplete passing attempts forced the Rebels to punt and the Hawks regained possession on the George County 30-yard line.

Hancock moved down to the three-yard line but Favre knelt on the ball and ran the clock out.

Final score was 29-21.

Next week the Hawks will travel to Bay St. Louis to face county-rival the Bay High Tigers. Kickoff will be at 7:30 p.m.

Bay takes wet 9-0 victory, soaks rival St. Martin

SPO

BY DENA BISNETTE

The Bay St. Louis Senior High Tigers could have gone by the name Bay High Ducks Friday as they refused to let a heavy rain interfere with a 9-0 victory over St. Martin.

The rain took a break for the homecoming Yellow Jackets' pregame festivities, but poured down on the first half of the game as the two teams scrambled for a wet football in a game that has become an annual grudge match for Bay High.

"Our major concern going into the ballgame under those conditions was ball control," Bay Head Coach Cleveland Williams said. "We knew it would be difficult to open up our offensive game with the ball being waterlogged."

"We made mistakes and there were a lot of them, but it was sweet to come out on the winning end of the contest."

The Bay High-St. Martin contest was added to the Tiger schedule only three years ago and has established a history of close games, with the 1985 and 1986 games being decided by a single point.

Bay High changed that history Friday with what Williams called "a good team effort under adverse conditions."

"William Ross and Dwayne Robertson played an important part under the wet conditions, with good snaps and sure hand-offs to help the Tigers to victory," Williams said.

"We had good running from Brian Laneaux, Aaron Whavers and Mark Haverly. They really punched in there to get the yards to keep our drives alive."

"Our offensive linemen, Greg Necaise, Courtney Laureys, Jerry Island, Ross, Geja Carter, Robert Hargett and Eddie Bourgeois, really did a good job on their blocking assignments."

"Hargett caught the ball well for the Tigers in addition to doing an excellent job on blocking," the coach added.

"To really sum it up, everyone hung in there when the going got tough, and that's what really counts."

Bay High's offensive unit successfully contended with the pouring rain and the St. Martin defense, using both passing and running attacks.

When the scoring began, however, what posted the points was not a runner's legs or a combination of a

passer's arm and a receiver's sure hands. What counted was Brian Laneaux's foot.

The scoring play was set up with a little more than four minutes to go in the first quarter, starting with a punt return by Dante Curry.

A penalty moved the return back to about the Bay 43 yard line. When running failed to move the ball more than a yard, the Tigers took to the air.

Quarterback Dwayne Robertson dropped back and passed to Hargett, who carried the ball to the Yellow Jacket 25.

Penalties and the Yellow Jacket defense shoved Bay High back, leaving them with a fourth down and 40 yards to go.

With 1:33 left, Laneaux changed to his kicking shoe and booted a 40-yard field goal for a 3-0 lead.

Second and third quarter action was scoreless, with three turnovers punctuated by interceptions.

St. Martin's Tim Morris grabbed a Tiger pass out of the air and put the ball on the St. Martin 40-yardline first, but Bay High got revenge a few plays later when Ross snatched a St. Martin ball to set the Tigers up on their own 46.

After a turnover, the Tigers started a drive that featured a combination of running and passing plays, only to be stopped by Yellow Jacket Kenny McAtee.

McAtee raced with Curry to the endzone and intercepted a Tiger pass, ending the Bay drive with 1:53 left in the third.

Early in the fourth, however, the Tigers used a combination of power plays to reach the St. Martin 10 yard line.

Haverly then tucked the ball under his arm and ran 10 yards for the game's only touchdown.

A attempted kick for a PAT was unsuccessful and the Tigers led 9-0 with 10:24 left in the game.

Neither team was able to start a successful drive in the remainder of the game. The Tigers punted the ball back on downs and the Yellow Jacket's last drive was stopped when Tiger Britt Woods intercepted a pass on the 50 and carried it to the St. Martin 35.

Williams said he had particularly concentrated on stopping McAtee, St. Martin's most dangerous receiver.

"I was real proud of our defense. They held McAtee to just one reception, and that was only for a one-

yard gain," the coach said.

"Defensively, we rose to the occasion again by stopping St. Martin's first and goal on the five yard line, which resulted in the ball being turned over to the Tigers on a fourth down on the one-and-one-half yard line."

"In crucial situations we were able to stop the Yellow Jackets on fourth downs and short yardage, which put a damper on their running game."

Williams also praised Bay High's "Danger Zone" defensive secondary for providing pass support as well as stopping the St. Martin running game.

"I felt that our game last night was one of the best defensive team efforts we have shown thus far and that coming out of the contest without any major injuries is good," the coach added.

As standouts for the defensive unit,

Williams named "Greg Necaise and his army, who have contributed to our defensive unit's success all season."

Necaise contributed 11 assisted tackles and five unassisted tackles. Necaise's army includes Carter, Hargett, Island, Amadae Collins, Laureys, Ross, Haverly, Wayne Karl, Quentin Bell, Woods and Curry.

Williams said the Tigers are now concentrating on next week's game, as evidenced by the players' shouts of "Next week we get Hancock" after the victory over St. Martin.

Bay will host the game against undefeated Hancock North Central but is not favored to win.

"It is a good feeling to go into a ballgame where we are the underdog, as in next Friday's contest. It's a big rival game but I feel we can play with them," Williams said.

INTERCEPTION—Bay High Tiger Britt Woods (33) leaps in front of a St. Martin receiver to intercept a pass in fourth quarter action during the Tigers' 9-0 game against St. Martin. Helping Woods on the ground are Tigers Ed Elliott (20) and Dante Curry (24). Bay High host Hancock North Central next week. (Staff photo by Dena Bisnette)

Pirates back among winners with 26-8 Bulldog bashing

By EDGAR H. PEREZ

The Pass Christian Pirates exploded onto the scoreboard five times Friday night to overwhelm the Vancleave Bulldogs 26-8.

Scoring for Pass Christian were Shinall Conway with two touchdowns, Horace Lizana and Eric Dawkins with one touchdown each, and Lizana with a two-point conversion run.

The Hornets' quarterback Mike Hipp tossed from mid-field in the third quarter to flanker Kevin McLain who added a 40-yard run for Vancleave's lone touchdown.

Bulldog quarterback Pat Seymour drove over right tackle for a successful, two-point attempt giving his squad its eight-point total for the evening.

Conway posted his first touchdown less than two minutes into the game at the Pirate den on North Street with a 35-yard sweep around his right end.

The Pirate score was set up by a Bulldog fumble on the second play from scrimmage in the high school football event.

Lizana followed Conway's TD with his two-pointer on a quarterback

sneak, putting the Pirates ahead by eight with only 2:29 elapsed in the first period.

The Bulldogs lost their second possession in four plays, giving the Pirates a first-and-ten at their own 30.

Fullback David Vonture broke loose on a 35-yard run giving the Pass another first-and-ten, this time from the Dogs' 35.

With 6:45 left in the opening period, Lizana scampered the necessary 35 yards to the left corner of the Vancleave end zone, pushing the Pirates ahead by 14.

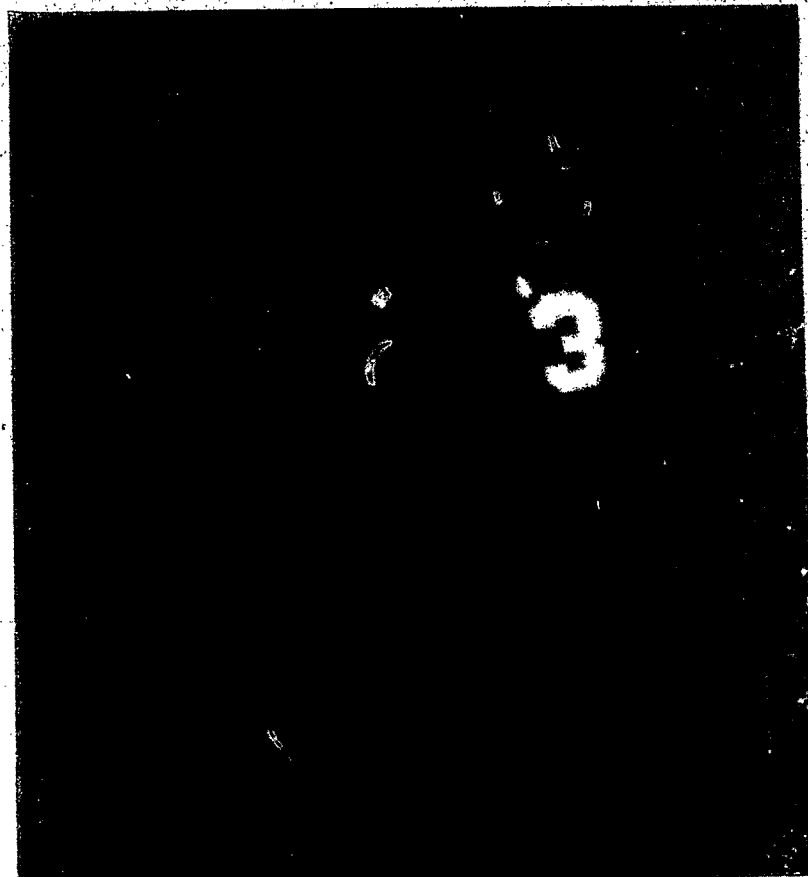

A second Pass two-point conversion attempt was frustrated by a fumble. Pirate tailback Hilton McKay intercepted Hipp near mid-field in the first quarter and returned the ball into the Vancleave end zone. But McKay's touchdown was nullified by a clipping call against

the Pirates on the play. Late in the first period, the Pirates embarked on a sustained drive which included a 25-yard run by Dawkins and solid gains by Conway and Vonture. The march was culminated seven minutes into the second period by a

U.S. REPRESENTATIVE - DISTRICT 5

FACTS YOU SHOULD KNOW...

Thirty-one of the 50 states, including Mississippi, are now in recession with high unemployment, largely due to the record trade deficits in heavy manufacturing, agriculture, hi-tech and most other sectors of the economy. Last month alone, another 450,000 jobs were shipped overseas. This is the Republican Party's gift to America's working families.

Trade has become a major political issue because the Republican Party leadership is out of touch with America's heartland. We're losing jobs in every congressional district, but still the Republicans say everything is fine . . . the economy is breezing along.

Voters are beginning to realize that the only way they can send a message to the Republicans to pay attention to the problems in middle America is to make them pay a political price. That means voting Democratic.

Would you do something for me in order that one day I may have an opportunity to do something for you? Ignore the rhetoric and political propaganda that surely must come from my opponent's well financed campaign.

fourth down, 15-yard touchdown jump by Conway around his left end. A two-point pass attempt by Conway to Steven Swannier was incomplete, leaving the Pirates with a 20-point margin.

McKay recovered the following on-sides kickoff at the Bulldog 45 to open another Pirate march through enemy territory.

Quarterback James Redmon connected with Swannier for 15 yards before the Pirates lost the ball on downs around the Bulldog 30.

With 40 seconds left in the first half, Dawkins picked off a Hipp pass near midfield and went all the way to add the final score of the contest for the Pirates.

The extra point attempt via quarterback sneak was unsuccessful, and the Pass took their 28-point lead to the locker room for intermission.

The Pirates opened the second half with a series which included a 10-yard completion from Swannier to split end Bobby Dedeaux.

But the Bulldogs capitalized on a Pass fumble at mid-field to set up their lone touchdown and the two-point conversion drive five and a half minutes into the period.

A second third-period drive by the Pirates included a 14-yard completion from Lizana to tight end Kevin Charlott and a 25-yard run by Conway.

The Pirates drove as deep as the Vancleave 15 but a recovered fumble, however, gave the Bulldogs possession at their own 22.

Running back Shanald Briggs drove 15 yards for the Bulldogs, and

brought the ball deep into SSC territory at the 16-yard line.

Again East Central was denied any points as end David Diboll forced a bad handoff by quarterback Pope Clark. The Hornets fell on the ball to maintain possession, but two plays later Jose Lau forced another fumble. Blake Boudreaux recovered and SSC's offense took over at their 16-yard line.

Split end Freddie Wirstrom made a spectacular catch between two East Central defenders bringing the ball to the SSC 47-yard line. Two runs by YaSin Shabazz advanced the ball to the East Central 34-yard line with 2:44 left in the game.

Shannon Garrett's pass to Wirstrom was tipped and intercepted by Darryl Clark.

With a little over two minutes left to play with the ball resting on their 25-yard line, East Central attempted to run out the clock.

SSC used up their time-outs while not allowing the Hornets a first down, and East Central faced a fourth and eighteen situation deep in their territory.

A very poor 13-yard punting effort breathed life into SSC's chances of winning the game as the Rocks had the ball on the East Central 30-yard line.

Time ticked away as two incomplete passes left the Rockchaws with a third and ten at the East Central 31-yard line with no time outs left.

Coch Vernon Powell brought place-kicker Rob Betcher into the game at this point with the clock showing :25 seconds and ticking. The ball was placed down on the 40-yard line, soccer-style kicker Betcher booted a 58-yard field goal that cleared the crossbar with several yards to spare.

The clock held with :18 seconds remaining, the scoreboard showed St. Stanislaus in lead 18-8, and the East Central supporters in the stands were quiet.

East Central returned the kickoff to their 38-yard line and had time for one more play. A desperation pass fell incomplete as the buzzer sounded.

The Rockchaws secured their first victory of the season in a hard fought defensive struggle.

"Overall, it was a tremendous performance by our team," stated Coach Powell. "We did what we had to do to win. The defense did an excellent job, especially our ends who kept East Central's quarterback boxed in. Jose Lau and Jim Bradley also did a great job on the inside stopping their fullback."

Next Friday the St. Stanislaus Rockchaws, 1-4, and the Pass Christian Pirates, 2-4, tangle at Pass High's stadium with kickoff set at 7:30 p.m.

Seymour added real estate as Vancleave pushed to the Pirate 30 before losing the ball on downs.

Lizana ended an ensuing Dog drive with an interception which gave the Pirates a first down at their own 30.

But with 3:50 left, Vancleave regained possession at the Pirate 40 on a recovered fumble.

Hipp hit McLain for 20 yards, and the officials called interference on

another Hibbs-McLain attempt, giving Vancleave a first down at the Pass 10.

With a gentle rain falling, the Pirate defense held and Vancleave's last offensive effort was an incomplete pass from the Pass 20 on fourth down with 40 seconds left in the game.

Both teams struggled in the early periods to gain footing and to hold on to the ball due to sloppy conditions.

The field at Pirate Stadium looked like it had been ready for a late fall planting by the time the final whistle blew.

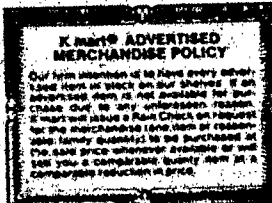

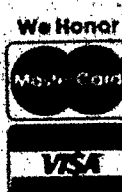

The victory over the still winless Vancleave was a sweet second for the Pirates who now will bring a 2-4 record to Bay St. Louis Friday against the Rockchaws of St. Stanislaus High—jubilant after a first win of the season over East Central.

Poor cotton, soybean crops offset record rice, corn yields

MISSISSIPPI STATE—Mississippi rice and corn yields are reaching record levels this year, but the state's cotton and soybean yields are the lowest in six years.

The latest crop production figures for Mississippi were announced Oct. 10 in the U.S. Department of Agriculture's October crop production report.

According to the report, rice yields in the state will average 122 bushels per acre, breaking a record set in 1965. Corn yields are expected

to reach a record average of 78 bushels.

But the report also dropped expected cotton yields by 33 pounds per acre from last month's estimate to an average 578 pounds. The latest estimate would make the smallest yielding cotton crop for Mississippi since 1960, when farmers averaged only 488 pounds.

Dr. Bob Williams head of the Mississippi Cooperative Extension Service Economics and Marketing Department, said lower U.S. cotton

crop estimates in the report might boost low cotton prices.

"The 10-million bale U.S. cotton crop is 608,000 bales less than estimated in September," Williams said. "This, plus poor harvesting weather in some areas, could help cotton prices."

The state's soybean yields were revised at 18 bushel per acre, up one bushel from September but still the lowest statewide yields since 1960. Nationwide, a soybean crop 12 million bushels above last month's

estimate is not expected to bode well for soybean prices, Williams said.

"The market was expecting the soybean crop to be 20 million bushels below last month's estimate," Williams said. "The total difference of 32 million bushels will probably have a negative impact on prices."

Grain sorghum yields in the state were announced at 62 bushels per acre, down one bushel from September.

Williams said large supplies of corn, grain sorghum and rice are on

hand and the report is expected to have no significant impact on farm prices for those crops.

The report indicated Mississippi farmers have 1 million acres of cotton for harvest, 2.5 million acres of soybeans and 440,000 acres of grain

sorghum, 178,000 acres of rice and 170,000 acres of corn.

Crop estimates are made monthly by USDA and are subject to revision in the agency's next report in early November.

Bay-Waveland and Diamondhead Garden Clubs

This year a special added attraction to the Hancock County Fair, Nov. 5-9, will be a Flower Show titled "From Sea to Shining Sea."

The show is the combined efforts and talents of members of the Bay-Waveland and Diamondhead Garden Clubs.

Others, not members of either of these Clubs, are welcome to enter the show, provided they adhere to the Rules and Regulations as set forth in the Schedule - which is the Law of the Show.

This includes pre-registration for Design Entries no later than Oct. 31 which can be made by calling 467-9821 or 255-1298.

Horticultural entries will be accepted at the Fair Building on Tuesday, Nov. 4 between 2 and 5 p.m. and Wednesday morning before 10 a.m.

A copy of the Schedule may be obtained from the Hancock County Home Extension Office.

The Show will be judged by nationally accredited flower show judges.

The general public is welcome to view the show after 3 p.m. Wednesday, Nov. 5.

Harrison and Hancock Counties Legal Secretaries Association

The Harrison-Hancock Counties Legal Secretaries Association held a mock murder trial on Oct. 11 at the Harrison County Courthouse, Gulfport, in conjunction with Court-Observance Week.

Day-in-Court programs are sponsored for the purpose of affording legal secretaries, legal assistants, students, and the general public an opportunity to visit local courts, observe trials in progress, and gain first-hand knowledge of the functions of the various departments connected with local judicial systems.

Participating in the mock murder trial were the following local attorneys: Tim C. Holleman, Leslie Scott Sheffield, Skip Wusnick, Gray Burdick, Raiford Pittman, Mark Garriga, Reilly Morse, and John Ellis.

Investigator Donald Keith of the Harrison County Sheriff's Department, Jamie Wetzel, and Jennifer Pierotick also participated in the program. Cay Tittle served as chairman for the event.

NATIONAL BOARD MEETING

Gini Myers, PLS, corporate secretary, and Betty Lou Watkins, director, both of Gulfport, attended the Fall Board of Directors Meeting of the National Association of Legal Secretaries, held at the Majestic Hotel/Spa, Hot Springs, Arkansas, on Oct. 18.

Approximately 150 members from throughout the United States attended this meeting, which included an informal rap session on Oct. 17, to share ideas for continuing educational programs and membership recruitment on the local and state levels.

"Capital Punishment - Life or Death," a panel discussion on the two opposing views on the use of capital punishment in our criminal control system, was presented.

The panelists included Chris Piazza, Prosecuting Attorney, Sixth Judicial District, Pulaski and Perry Counties, Little Rock; Jack M. Plummer, PhD, Arkansas Behavioral Services Clinic, Hot Springs; Bobby G. Southard, Training Supervisor and Instructor, Arkansas Law Enforcement Training Academy, Hot Springs; and Ted Boswell, attorney at law, Bryant, Arkansas.

The National Association of Legal Secretaries (NALS) is an organization of legal secretaries, legal assistants, court clerks, and other legal support personnel. Its national headquarters is located in Tulsa, Oklahoma, and it has local and state organizations throughout the country serving its 18,000 members.

NALS is a nonprofit, nonunion association whose purpose is to encourage and provide continuing education for those engaged in work of a legal nature. Its motto is "Professionalism plus Education equals Excellence." In addition to stressing continuing education, NALS has an ongoing scholarship program to assist students who are pursuing careers in the legal field.

For further information, contact Nancy Bontemps, vice president, Harrison-Hancock Counties Legal Secretaries Association, phone 864-8400, Gulfport.

Clermont Handcrafters

Clermont Harbor Handcrafters, met Oct. 2 in the home of Lil Kenmore. Since this was a bingo meeting all enjoyed a delicious luncheon.

Our hostess Dot Bessis, Irene Graff and Marilyn Dupont out did themselves with the food and desserts. A good time was had by all.

Nominating Committee was selected to present a slate by the Nov. meeting.

Marilyn Dupont, Beverley Praetorius, Dot Neubig accepted the honor and promised to do their best to find the very best members to handle the positions. Thirteen members voted to go to the Catfish House for their Christmas dinner to be held on Dec. 4.

Five lap robes were sent to Dixie White House Nursing Home, reported by Beverley Praetorius.

ENSIGN AND MRS. PAUL JOSEPH TREUTEL

Treutel-Tisdale

Episcopal Church of the Redeemer in Biloxi was the setting for the September 27 afternoon marriage of Jill Florence Tisdale of Biloxi and Ensign Paul Joseph Treutel of Bay St. Louis.

The Reverend Jackson Riggs and Monsignor James McGough officiated at the afternoon ceremony.

The bride is the daughter of Dr. and Mrs. William A. Tisdale of Biloxi. The groom's parents are Mr. and Mrs. David Treutel Sr. of Bay St. Louis.

Nuptial music was provided by organist Dr. Laurence Oden and soloist Mrs. Wanda Stewart.

The bride was attired in a formal gown of white satin with high neckline and sheer yoke accented with beaded Venice lace motifs and encrusted pearl patterns. The sheer Juliet puffed sleeves tapered at the wrists and the slightly dropped waist gave way to a full skirt embellished and embroidered with lace motifs accented with iridescent. The semi-cathedral train was edged in embroidered lace.

A crown of pearls held a cathedral length veil of silk illusion.

The bride carried a cascade of pink and white roses with baby's breath.

Constance M. Tisdale of Tupelo, Miss., was maid of honor.

Bridesmaids were Sharon L. Ready of Hattiesburg; Sharon L. Trippe of Biloxi and Melissa T. Schmidt of Asheville, N.C., sister of the groom.

Stephen B. Treutel of Slidell, La., brother of the groom, was best man.

Groomsmen were David Treutel Jr. of Bay St. Louis; Roy J. Anderson of Palm Beach, Fla.; and Thomas L. Koger of Bay St. Louis.

Ushers were William E. Tisdale, Paul A. Tisdale and George J. Tisdale, all brothers of the bride.

Readings from Scripture were rendered by Susy Treutel and Cathy Treutel, sisters of the groom.

A reception followed the ceremony at the Biloxi Elks' Bradford House. Renee Tisdale, godchild of the bride, attended the guest register.

On return from a wedding trip to Montego Bay, Jamaica, the couple will reside in Milton, Fla.

Pre-nuptial parties

The Biloxi home of Mrs. Janie Jacquet was the setting for a miscellaneous shower. Hostesses were Millie Caine, Kathy Thompson and Mrs. Jacquet.

A lingerie shower was given by Mrs. Janie Tisdale, Connie Tisdale, Bea Tisdale and Wanda Tisdale in the home of the latter.

A barbecue was hosted by Mr. and Mrs. David A. Treutel Jr. in their home.

Mr. and Mrs. David A. Treutel Sr. hosted a family reception in their Bay St. Louis home.

Laurie's Tea Room was the setting for the bridesmaids luncheon hosted by Mrs. Marguerite Simpson and Jill Tisdale.

Mr. and Mrs. David Treutel Sr. were hosts at a rehearsal dinner at Mary Mahoney's Old French House in Biloxi.

Heine-Bishop

Our Lady of the Gulf Catholic Church was the setting for the September 28 marriage of Lori Lea Bishop of Diamondhead and Harold Joseph Heine III of Bay St. Louis.

Monsignor James McGough officiated at the candlelight evening ceremony.

The bride is the daughter of Marie Bishop of Diamondhead and Stanley Bishop of New Orleans, La. The groom's parents are Mr. and Mrs. Harold Heine Jr. of Bay St. Louis.

Baskets of white gladioli, roses and chrysanthemums decorated the main altar flanked by palm greenery and potted English ivy.

Nuptial music was presented by Olive McKenna, organist, and Lana Noonan, soloist.

Given in marriage by her father, the bride wore a formal gown of white crystal organza and seville lace. The Queen Anne neckline was outlined with beaded and embroidered silk floss lace. Long Elizabethan sleeves enhanced the fitted bodice. The basque waistline featured a deep peplum with embroidered medallion trim above rows of baby ruffles which encircled the full skirt and formed a heart-shaped cathedral train. Her bridal hat of satin had an open crown and ruffled crystal organza brim with illusion pouf and streamers.

She carried a colonial style nosegay of white silk roses, stephanotis, lily-of-the-valley, baby's breath and ribbon streamers with pearl sprays.

Diane Rein of New Orleans was maid of honor.

Bridesmaids were Shelby Smith of Laurel, Miss.; Kimberly Killingsworth of Pittsburgh, Pa.; Michelle Weeks of Virginia and Holly Bishop of New Orleans.

Amanda Week was flower girl.

The attendants were identically attired in tulle taffeta gowns in lavender each with shirred bodice, puffed and banded sleeves, v-waistline and full skirt with floral and lace wreath headpieces and ribbon streamers.

Moran-Barnett

Mr. and Mrs. Oswald L. Moran Jr. of Kiln announce the engagement and forthcoming marriage of their daughter, Carol L. Moran, to John W. Barnett, son of Mr. and Mrs. Larry Koenen of Kiln and the late John Edward Barnett.

Miss Moran is employed with Coast Electric Power Association.

The prospective groom is employed with Martin Marietta.

The couple will exchange vows November 9 in a p.m. ceremony at the Main Street United Methodist Church. A reception will follow at the Kiln Veterans of Foreign Wars hall. Friends and relatives are invited to attend.

What A Bargain!

Most people don't realize just what a bargain their hometown newspaper is. It can give you money-saving coupons, help you decorate your house or find a job, and tell you what's going on in your town. In short, your hometown newspaper is your best source of "food for thought". And, you can have it all, each week, for a lot less than you think.

Call our circulation department today and discover just what a bargain your very own hometown newspaper can be!

HELP WHERE YOU NEED IT MOST.

Your pocketbook The New Delchamps has help—with pricing that's absolutely *lower* on every item, every day. It means we're doing business in a whole new way. A more honest way.

It's called Everyday Minimum Pricing, and it means Delchamps customers have already discovered they have the minimum total food bill every week. That's because we've introduced

EVERYDAY MINIMUM PRICING **ABSOLUTELY LOWER PRICING!** S.M.

At the New Delchamps we don't have weekly specials. We don't have double coupons, games or gimmicks—they just keep your total food bill high. We DO have pricing that's absolutely lower on every item, every day. So you get the minimum total food bill. Every week.

Introducing **RABBIT** ... The VCR
"Multiplying" System
NEW!

68.00

**The Rabbit Receiver and Transmitter -
It's Like Having a VCR in Every Room**

If you have a VCR and more than one TV, then you need a VCR-Rabbit. The Rabbit actually sends the video/audio signal from your VCR to any of the TV sets in your house.

Movies and more ... anywhere in your home.

☐ Sends the video/audio signal from your VCR to any of the other TV sets in your house.

☐ Lets you watch regular television on any of the sets while a video tape is showing on the others.

☐ Sends Cable TV and Satellite TV from a single hook-up to all of the TV sets in your house.

☐ Hooks up in minutes with everything needed right in the package.

A Transmitter, a Receiver, and special connecting wire so thin it can be hidden from sight.

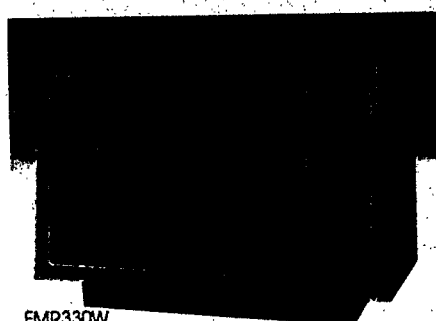

☐ Costs about the same as a feature cassette.

☐ Enjoy your favorite video entertainment wherever it's most convenient: A movie in bed. An exercise tape in the den. Music videos in the kitchen.

☐ Watch regular television on any of the sets while a video tape is showing on the others.

And, if your VCR is a wireless remote ...
☐ Controls all of the functions of your VCR from any TV set in the house.

☐ Transforms your non-remote TV set into a remotely-controlled TV.
